

## REMARKS

Claims 1-151 are in the application.

Claims 144 has been amended to recite a rules database, the distinction between Group I and Group II.

Applicant hereby elects Group I, claims 1-143 and 151 for prosecution, with traverse with respect to claims 144-150 as amended, which represent the same patentable invention.

It is believed that claims 1-151 are patentable for the reasons previously asserted.

Respectfully submitted,
